The Trail

Dear Barb,
Its really hard to tell you how much I think of you. All the things we've done together, I feel as if we've been good friends. You're a swell pal and I'll always remember the best of times. Your heart is the biggest part of you.
Love
Betty

Dear Bob, I'll never forget the wonderful times we've spent! Oceans of thanks (and lots more) for your share of happiness for even the smallest things we've done together. I mean every word Bob and may it always continue.
"As ever"

As Sophomores we came to South
In the fall of 1940—
Carefree, happy—unaware of future
world events.
We were thinking only of the new
experiences
We were to encounter—
As we walked up the trail.

Good Luck
Barbara—
Ken Palmer

May the future hold loads of good luck for us both "always".
Della Williams

Dear Barb

We have had so much fun together and we have known each other for such ages that when it comes to signing your annual every year I decide that I really don't need to say anything but just "loads of happiness."

Love
Frannie B.

Dear Barb:

Here's to a girl with a wonderful personality and a very grand friend - in fact one of the best friends I have. No kidding, Barb, you're really tops! May you have all of the best kind of luck! Have fun this summer and I'll see you next fall!

Love
"Nelson"

HEP! HEP!

Hep, hep, we are marching to victory,
Hep, hep, we are marching to fame,
Fight, fight, is our standard, our motto,
And we're out to win the game.
Pep, pep, is the rep of our high school,
And there's none who can dim her fame,
So we'll fight, yes, we'll fight
For the victory,
And win the game.

FOO

South's rampaging Rebel gridsters smashed their way to their first championship since 1937 with their most victorious season since Paul McClung and his gang walked the hallowed halls of South. After winning their two practice games from Englewood and Boulder by the scores of 27-6 and 13-6 respectively, the Confederates dropped their first league game to West on a 13-2 verdict. Three times the Rebs drove within the Cowpokes 10-yard line, but were unable to score. In the next encounter the Rebels came to life and whipped North soundly to the tune of 19-0 with Cecil Knox and Mike Huddleston tearing the Viking line to shreds with a powerful ground attack. The next week the Southerners took revenge for past years by trouncing the East Angels 20-0 for the Angels' worst defeat in five years. In the Manual game, the Rebs hit their climax, smashing the luckless Bricklayers 34-0 on a muddy field. The next week brought the crest-riding Confederates up against the league leading Cowboys and the only team to beat them. From the opening kickoff the Rebs took possession of the ball but were not able to push the pigskin over into pay dirt. Finally in the third quarter Cecil Knox was able to break loose and raced

56 yards for a score and winning the ball game 7-0. From then on the Rebs had easy sailing, beating in order: East 14-0, North 33-0, and Manual 27-6. In winning the championship the Southsiders punted a league record of 2,212 yards gained from scrimmage, had the two top ground gainers, the top scorer, had the most yards passing and rushing. Also, the Rebs had five all-city men, who were Cecil Knox, Mike Huddleston, Bob Hazelhurst, Harold Saegar, and Dave Dyke, and two all-state—Mike Huddleston and Dave Dyke. They scored 200 points to their opponents' 31 for an average score of 20-3 a game for the season.

BASKETBALL
First Row: Golder, Huddleston, Patton, Merritt.
Second Row: Yates, Duncan, Slawson, Winegardner.

BASKETBALL

While the number of wins registered by the South team was not impressive this year, the hustle and spirit of the squad was of championship quality. And even more important, all but three of the twelve-man squad will be back next year with the valuable experience gained this year. Johnny Duncan, the hotshot of the team, Mike Huddleston, and relief man Kenny Slawson will be the only players missing next season.

Heading the returning players are lettermen Dick Yates, Bob Winegardner, Ralph Merritt, Bud Golder and Arlen Patton. These boys, all potential stars, should be one of the best basketball aggregations ever turned out at South.

Safety Council

Presided over by Dick Gilbert, the Safety Council has completed another year of outstanding service. Mr. Miller is the sponsor of the group, and he selects each member individually on the basis of their dependability and scholarship records. The boys wear white jackets with a purple wheel insignia. Their most important duties are to keep order at fire drills, air raid drills, assemblies, and in the halls.

S Club

The men that wear the purple and white "D's", stepped into fields other than athletics this year and took charge of bond and stamp sales. Besides going to bat for Uncle Sam, these Rebel athletes also sponsored the S Club barn dance and took part in several other school activities. Dave Dyke was president the first semester, Ralph Gibson "prexy" the second semester and Bob Shanahan was secretary and treasurer.

LABORATORY ASSISTANTS
First Row—Bauder, Lichtenwalter, Kelly, Ames, Johnson, Guiteras, Fishburn, Baxter.
Second Row—Eichelberger, Conway, Eckrem, Bailey, Brown, Welch, Sullivan, Lundin.

Laboratory Assistants

"Lab" assistants in physics or chemistry have an opportunity to gain practical knowledge in science, for they assist in teaching the students as well as helping in the laboratory work. The "lab" assistants must have a good knowledge of the subject. These seniors devote one hour a day to this work, and usually spend some time outside school in grading papers. They have given valuable service to South.

Counselors' Assistants

You have the hard working counselors' assistants partly to thank for your "swell" program, or the one that you don't like so well, for they assist Miss Alenius, Miss Webber, and Miss Schoder, or Mr. Grigs and Mr. Arnold in planning the programs of over two thousand Southerners. The girls and boys chosen for this work must have good grades and be willing to work one period a day in the counselors' offices.

COUNSELOR'S ASSISTANTS

Second Row—Allen, Sparks, Ohler, Karlson, Davis, Painter, Heyer, Forsyth, Stone, Russell.

Office Messengers

Besides gaining experience in office work, the office messengers have a lot of fun seeing their friends slaving away in classrooms while they are collecting attendance slips, or taking bulletins around. The girls spend one hour a day working in the office—filing, typing, making records, or running errands. These students are volunteer workers, and the office clerks have found them to be indispensable aids.

Pre-School Assistants

One of the most entertaining "jobs" around South is being a pre-school assistant. However, the work is not as easy as it sounds, for trying to keep youngsters out of mischief and happy at the same time is quite a chore. The pre-school assistants are senior girls chosen from Mrs. Blanch's Home-making classes. Four girls go to each of the grade schools in South Denver twice a month to assist the regular teachers.

The staff is made up of the advanced journalism classes Artis Tanton, Pat Patton, and Kenneth Slawson were the editors this year, and Mr. King, Mr Mohr, and Mr. McMahon were the sponsors. Staff members get valuable experience in writing headlines, planning page make-up, writing news articles, and interviewing people. The Confederate comes out every other Wednesday at five cents a copy, making it about the lowest priced school newspaper in Denver. Special features of the paper were the movie reviews, book reviews, the society and "dirt" columns, and the writeups on the "wolf" and "wolfess" of the week, a new attraction. The Confederate is a member of the International Quill and Scroll and the National Scholastic Press Association

Band

One of the most necessary things at a football game is a band, and since South had an excellent band this year, maybe that is why we played such good football. The band drilled with the Pep Club girls between halves, and also marched in the Armistice Day Parade. A number of concerts were presented for the students and the public during the year. Mr. Roberts and Mr. Bagley were the conductors of the band.

Orchestra

The orchestra has created two kinds of music lovers at South—the ones who like to play music and the ones who like to hear it played. For that reason, concerts by the orchestra are greatly enjoyed by all the students. Under the direction of Mr. Roberts and Mr. Bagley, the orchestra appeared in a number of programs this year, and proved itself to be a fine musical organization.

Probably the most beautiful program presented by the choir was that at Christmas time, when the singers gave their traditional selections of Christmas music, this time for an audience of soldiers from Fitzsimons Hospital, as well as students.

Senior Military Society

This year, the Senior Military Society met every Tuesday morning before school. This is one of the newest organizations at South, and it was formed for the purpose of discussing problems pertaining to the R.O.T.C., promoting recreation for the cadets, and studying advanced military operations. Members of the group are senior boys who have taken four or five semesters of R.O.T.C.

Bob Mitchell and Floy Phillips were the presidents of the club, and Miss Fisher is the sponsor.

Speakers' Service Bureau

Advertising worthy projects and activities going on at South is the main duty of the Speakers' Service Bureau. Urging donations of such things as keys, books, lamps, clothes, and money, members of this organization have helped make these various drives a success by speaking in behalf of them in general education and other classes. Stage Crew

Much of the credit for the successful presentation of our assemblies, concerts, and other programs in the auditorium goes to the girls and boys on the stage crew. This is the first year that girls have been in this group. The boys did the work on the public address system, lighting effects, and the settings, while the girls helped by sewing. Mr. Willsea is the sponsor of the group.

Movie Operators

This is one group that really is indispensable to South, for the movie operators are the boys that run the motion picture machines in the classrooms and at assemblies. During the past few years, visual education has gained a prominent place in classroom studies, thus creating a demand for operators. Mr. Collier organized such a group of boys to run the machines during their study hall periods.

And now in the spring of 1943 we leave
South—
To follow new trails.
Some of us to answer the call of our
country.
Others to—oh, there will be many trails.
But we shall remember the good times
we had,
Our teachers; the friends we worked
with.
It was a pleasant trail through South.
